actifile

Support: 1st and 2nd tier technical support

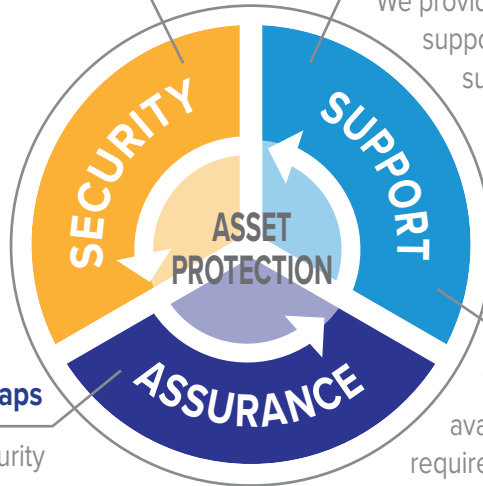

We provide dedicated 1st and 2nd tier technical support as part of our commitment to your success, ensuring your team receives responsive, knowledgeable help at every step.

Volume: Scalable licensing, no minimums, rapid fulfillment

We offer unlimited same-day licensing availability with no minimum purchase requirements, allowing you to scale solutions precisely to your operational needs, without artificial constraints or overcommitment.

Risk Management: Closing critical gaps

We deliver risk-based, tailored cybersecurity solutions designed to identify, prioritize, and close security gaps specific to your organization's environment, threat profile, and operational requirements.

DIFFERENTIATORS

- ▶ Direct relationship with vendors
- ▶ Same day licensing and renewals
- ▶ Dedicated agents and support
- ▶ Small business agility
